

# 2021 Cabernet Franc

## Stylistic Notes

This Cabernet Franc comes from the sandy soils of our East Bench vineyard in Osoyoos. The area is arid, hot and beaming with sunshine that truly creates lush grapes, like the ones in this wine. This single varietal is a deep drinking experience, sporting velvety tannins that adorn a lengthy finish. Fermented in stainless steel, this wine underwent 3 pump-overs daily before being left to settle in 100% new American oak for 19 months.
