

# 2021 Merlot

## Stylistic Notes

Our Paradise Block Merlot comes from grapes grown on the land where our father's dreams took root. Caressed by morning sun, while the cool nights keep the acidity in the grapes high. Planted on the western side of the vineyard, the close proximity to Monarch Mountain aids in additional heat retention, aiding the grapes in ripening. Upon harvesting, the grapes underwent 3 pump-overs daily before being pressed off the skins and matured in 25% new American oak barrels.
