

2022 Cabernet Sauvignon Rosé

Stylistic Notes

An explosion of fruit flavour would be an apt description for this wine. With fruit hailing from our West Bench vineyard in Osoyoos, this wine is well-balanced in its profile. After direct pressing the grapes, they were left to chill on their skins for a short period before beginning fermentation. This allowed additional flavour and colour extraction without increasing the alcohol content. Remaining somewhat high in residual sugar, this allows the wine to remain in balanced throughout the drinking experience.

Winemaker Notes

Vintage: 2022

Varietal: 100% Cabernet Sauvignon

Appellation: Okanagan Valley

Vineyard: West Bench

Fermentation: Stainless Steel

Cases Produced: 247
