

2022 Gamay Noir

Stylistic Notes

Crafted from Gamay Noir grapes harvested at their peak of 25 brix, our Gamay Noir vines are planted in the southwest of our Paradise Block, granting increased sun exposure throughout the day. This wine was fermented in stainless steel with frequent pump-overs and punch-downs. It showcases a robust nose, thanks to its time spent in oak, yet retains an elegant structure on the palate.

Winemaker Notes

Vintage: 2022

Varietal: 100% Gamay Noir
