

2023 Gamay Noir Rosé

Stylistic Notes

Harvested from our Paradise Vineyard, this wine shows the elegant, light profile that Gamay Noir can produce. This wine is dry and light on the palate, giving light red fruit notes. Once harvested, the grapes were direct pressed to maintain a pale, Provence-style rosé. The wine was fermented and stored in stainless steel, prior to bottling.

Winemaker Notes

Vintage: 2023
