## 2021 SYRAH

### STYLISTIC NOTES

The inaugural release of our single varietal Syrah; 2021 was the “heat dome” year for the Okanagan. Planted in our most southernly site, this wine was drenched in sun throughout the entire growing season. As a result of these climatic conditions, the fruit was thoroughly ripened. These factors led to leaving this wine to mature in oak for 33 months, all of which was new American barrels. This Syrah showcases deep blueberry and dark fruit flavours, with distinctive notes of butterscotch and black licorice from the oak ageing. This wine’s overall complex and layered profile makes it perfect for long term ageing potential as the tannins continue to unwind and evolve in the bottle.

### WINEMAKER NOTES

**Vintage:** 2021

**Varietal:** 100% Syrah

**Appellation:** Okanagan Valley

**Vineyard:** East Bench

**Fermentation:** Stainless Steel

**Maturation:** 33 months in new American Oak

**Bottling Date:** September 26th, 2024

**Cases Produced:** 131
